## President's Message

Dear Fellow Members,

It is my great honour and privilege to be able to present this 2018 newsletter to you in my capacity as President for another two-year term (2018-2020). This year, 2018 has been another year filled with challenges, excitement and successes where overall MCBA has continued its path forward.

MCBA strives to promote and enhance a diverse, vibrant and sustainable business community, providing our members an environment that cultivates business-to-business relationships and offers programs and events that benefit all members and help their businesses grow.

The success of any community activity is built upon ensuring that the needs of those we serve are met. Our new Executive Board and Board of Directors is committed to fulfill our promises and mandate that was given to us when we were elected, through hard work and bring all ideas and projects we discussed to fruition. Together, I am sure, we will grow stronger and be vital part in serving our business community!

I am truly looking forward to seeing you at the number of upcoming networking events, business workshop and community activities that we will be conducting this and next year.

Please make a note in your calendars because as usual, we have a lineup of very useful and carefully planned events for you. Let me just mention the ones we are most excited about:

Second year in a row CCAD will have extended hours from 11am till 8pm to entertain and excite you and your families with new program featuring Mississauga's cultural diversity i.e. The Mississauga Food Fair with food, performance and music which will promote our multicultural community we are so proud of.

## Up Coming Events

### Community Crime Awareness Day (CCAD) and Mississauga Food Fair

The 18th CCAD is hosted by the Mississauga Chinese Business Association in partnership with the Peel Regional Police, Safe City Mississauga, The Mississauga News and Dufferin-Peel Catholic District School Board. This year the event will be held on Saturday, September 29, 2018 from 11 am to 9 pm at the Mississauga Celebration Square, 300 City Centre Drive.

It serves as a tool for citizens to come together and learn about community safety and policing issues in the region, emphasizing cohesion and municipal harmony.

Since its inception 17 years ago, the event's attendance has continued to grow. We anticipate this event will attract 10,000 audiences. Admission is FREE. Live entertainment and activities throughout the day gives attendees plenty to do: from cultural performances to Royal Canadian Air Cadets performances, and from 200 people Square Dance to the Peel Regional Police's repelling demonstration. In addition, catch a fish, face painting, inflatable games, wheel of fortune and lucky draw are lined up amongst other activities for the day. Feature performance: Impersonate Lady Gaga mini concert will be at 7 pm.

**2018 Special Feature: Mississauga Food Fair.** Event hours will be extended to 9 pm by including more vendor booths showcasing large variety of Asian and local foods, souvenirs, music, performances and products. This follows our event theme of celebrating multicultural diversity and exchange. Visitors will enjoy the richness and beauty of each culture that makes Mississauga such a diverse city.

### Annual Business Directory

Since 1996, more than 255,000 copies of the Directory have been distributed to consumers in the Peel Region and the GTA areas free of charge. It proved to be very successful as we have positive feedback from the business owners, the communities and the consumers. This is the only directory that listed out all the business operations and shops in the major Chinese Plaza in Mississauga.

If you want to list your business information free of charge or put your advertisement in our coming 2019 directory, please contact MCBA office.
