Message from the Co-Chair
35th Anniversary of the Mississauga Chinese Business Association & 23rd Community Policing Dinner

It is our great honour and pleasure to welcome you to the 35th Anniversary Celebration of the Mississauga Chinese Business Association (MCBA) and the 23rd Community Policing Dinner.

Tonight, we celebrate two important milestones: 35 years of service, growth, and contribution to our business community, and 23 years of partnership between MCBA, Peel Regional Police, and the diverse communities we proudly serve.

For over three decades, MCBA has been dedicated to connecting businesses, strengthening community relationships, promoting cultural understanding, and supporting initiatives that make Mississauga a vibrant and inclusive city. Our longstanding partnership with Peel Regional Police reflects our shared commitment to trust, respect, safety, and collaboration.

As we celebrate under the theme “Harmony Beyond,” we recognize that strong communities are built not only through business success, but also through compassion, mutual respect, and a shared commitment to positive change. Together, we can go beyond boundaries, embrace diversity, and create a stronger, more inclusive future.

We extend our sincere gratitude to Peel Regional Police, our sponsors, community partners, distinguished guests, MCBA members, volunteers, and organizing committee. Your support and dedication have made this milestone celebration possible.

As we celebrate our achievements and honour those who serve our community, let us continue to strengthen partnerships, inspire future generations, and build an even brighter future together. Thank you for being part of this special evening. We wish you an enjoyable and memorable celebration.

PRIME MINISTER · PREMIER MINISTRE

Message from the Prime Minister of Canada

I am pleased to extend my warmest greetings to everyone attending the 35th Anniversary Gala and 23rd Community Policing Dinner of the Mississauga Chinese Business Association (MCBA).

This special occasion provides an opportunity to celebrate the achievements of the Chinese business community and recognize the leadership, entrepreneurship, and dedication that contribute to the prosperity of our communities. It also highlights the value of community partnerships in fostering safe, welcoming, and inclusive neighbourhoods.

For the past 35 years, the MCBA has been a strong voice for the Chinese business community, promoting professional connections, economic growth, and civic engagement. Through initiatives such as the Community Policing Dinner, the association has also helped strengthen relationships among community members, business leaders, and law enforcement partners.

This evening is a fitting occasion to recognize the dedication of the association's leaders, volunteers, members, and community partners. A Message from Chief Nishan Duraiappah

On behalf of Peel Regional Police, I am pleased to extend my greetings to everyone attending the Mississauga Chinese Business Association's 35th Anniversary Gala & 23rd Annual Community Policing Dinner.

This year's theme, *Harmony, Safety & Prosperity: Working Together for a Stronger Community,* reflects what we know to be true: strong communities are built when people come together with a shared commitment to one another. When communities are safe and inclusive, businesses can grow, opportunities can flourish and families can build bright futures.

The Mississauga Chinese Business Association helps Peel Regional Police connect with Chinese residents and business owners through crime prevention education as well as community outreach and safety initiatives. Through your support of local businesses, community engagement and newcomer integration, you help create opportunities that strengthen both our economy and communities.

As we continue to navigate evolving challenges, strong partnerships remain essential. By working together, we can foster safe, welcoming and prosperous communities for current and future generations.

Thank you for your continued leadership and partnership. I wish you an enjoyable evening and every success in the years ahead.

November 18, 2026

On behalf of the Hong Kong Economic and Trade Office (HKETO), I extend my warmest greetings to everyone attending the 35th Anniversary Gala & 23rd Annual Community Policing Dinner themed "*Harmony Beyond*" (融匯共榮) hosted by the Mississauga Chinese Business Association (MCBA).

Over the past three and a half decades, MCBA has made remarkable contributions fostering business excellence, strengthening community partnerships, and promoting cultural understanding across the City of Mississauga and the Greater Toronto Area. Drawing on its extensive network of members, many of whom have backgrounds in finance and business, MCBA has served as an important bridge connecting the Chinese Canadian and Hong Kong communities.

Challenges at the international level require all of us to look ahead and respond to the evolving needs of the communities. Hong Kong has recently taken an important step in charting its future. Two months ago, the Government of the Hong Kong Special Administrative Region announced its inaugural Five-Year Plan, setting out a forward-looking strategy for developing Hong Kong through 2030.

The blueprint seeks to consolidate and enhance Hong Kong's position as a leading international financial centre, trade centre, maritime centre, aviation hub, and innovation and technology centre, while building a hub for high-calibre talent. This is an exciting new initiative not only for Hong Kong people, but also for Canadian companies and talent. Our strategic direction aligns closely with the core strengths of Canada, and should open new doors for enterprises and professionals exploring the opportunities in Hong Kong, on the Chinese Mainland and across Asia. HKETO looks forward to working closely with MCBA to support the Canadian community in exploring these new horizons and opportunities.

My best wishes for a most successful event and continued achievements by MCBA in the years to come.

Future Leadership Scholarship

Investing in Potential. Inspiring Leadership. Shaping the Future.

Tonight, we are proud to officially launch the Future Leadership Scholarship Program, an initiative founded and sponsored by four former Presidents of the Mississauga Chinese Business Association (MCBA): Mr. Clement Fung, The Honourable Victor Oh, Mr. Stephen Chu and Mr. Pierre Yves Wong. We are also pleased to announce that we have collectively sponsored $40,000 towards the Scholarship Funds.

We believe that giving back to the community is not only a privilege, but also a responsibility. Through this initiative, we aspire to do more than give back —It is an investment in talent, ambition and promise. By recognizing and supporting outstanding students and their achievements, we hope to encourage them to pursue excellence, develop their leadership potential, and make meaningful contributions in their chosen fields and to society. Every student we support today represents the possibility of a future leader, innovator and changemaker tomorrow.

MCBA shall serve as the administering organization, facilitating the annual selection and presentation of scholarships to deserving recipients. Through partnerships with post-secondary institutions in Mississauga and the support of our community partners, we hope to extend opportunities to promising young individuals and encourage the next generation to reach their fullest potential.

The launch of this scholarship program during MCBA's 35th Anniversary is particularly significant. It marks another milestone in the Association's ongoing commitment to supporting the business community, strengthening community partnerships, and contributing to the long-term growth and prosperity of our city. It also reflects our belief that the future of a thriving community lies in the opportunities we create for the next generation.

Together, let us nurture tomorrow's leaders, inspire new possibilities, and build a stronger and more prosperous future for generations to come.

Investing in today's achievers. Empowering tomorrow's leaders.
